Ravi, attached is the revised Anthropogenic Background Memo based on final EPA comments received July 1 and discussed July 8. Attached is the following:

- Complete Final AB Memo dated July 2021
- PDF of the last round of redlines text for tracking
- Response to comments emailed July 1 for tracking

Let us know if this is accepted as final by EPA.

I have not cc'd your team – please forward on to the right group.

Thank you again for the combined efforts in completing this work.

Greg
